PETITION REGARDING SMALL ENTITY STATUS

Sir:

The applicant for the above-referenced patent application has claimed that it is entitled to claim small entity status and has been paying small entity fees for the duration of the prosecution of the application. Recently, however, the applicant's licensee, who also qualifies for small entity status, informed the undersigned attorney that during the period beginning on December 15, 1999 and ending approximately October 2001, the licensee had sublicensed rights relating to this application to a sublicensee that would not qualify as a small entity.

Therefore, pursuant to 37 C.F.R. §1.28 applicant herein submits an itemization of deficiency of fee payments between December 15, 1999 and October 2001, along with payment of the deficient fees. Below is a breakdown showing the discrepancy:

PETITION REGARDING SMALL ENTITY STATUS
U.S. Serial No. 09/582,950

Date	Type of fee paid	Amount of fee paid	Current fee amount for a non-small entity	Difference owed
7/7/00	U.S. National Stage entry	\$48.00	\$300.00	\$252.00
10/15/01	Additional independent claim in amendment	\$42.00	\$200.00	\$158.00
10/15/01	2-month extension of time	\$200.00	\$450.00	\$250.00
TOTAL OWED:				\$660.00

Submitted herewith is a check in the amount of \$660.00. It is believed that this covers the additional payments for the period that large entity payments should have been made. However, if this fee payment is found to be deficient, or if any other fees are required to prevent abandonment of this application, then the Commissioner is hereby authorized to deduct any such required fee(s) from Deposit Account No. 060590. A copy of this paper is enclosed

Applicant asserts that as of November 1, 2001, it has been and still is entitled to claim small entity status. A verified statement claiming small entity status as of November 2001 is submitted herewith.
